

# GREETINGS!

**ARTCARDS** by your students are the perfect fundraiser for your school, club or organisation.

Christmas, Mother's Day, Father's Day, Grandparents' Day, Year 6 Fundraiser, any occasion really ...

**ARTCARDS** are the perfect way to honour your students' art making endeavours.

They make excellent, personalised gifts for parents, grandparents and friends.

**SIMPLE and UNCOMPLICATED PROCESS for teachers and clerical staff.**

**Here's how it works:**

## 1. TEACHER:

1. Teacher completes an art lesson with all the class.

Bright colour is best on A4 or A3 size paper.

Any medium is suitable except soft, powdery chalk pastels which smudge in transit!

Unpainted paper or large expanses of white do not reproduce well, so keep it bright and coloured.

2. Student's name, class, age and school should be written legibly on the back of ONE artwork.

3. Teacher/School sends an information note and order form to parents and carers.

4. As payments and orders are returned to school, names and orders are marked on the class lists.

## 2. OFFICE:

1. ArtCard Packs need to be pre-ordered and paid for before design and printing is commenced.

2. Your school keeps 25% from each ArtCard Pack order

and draws a cheque payable to Christina Clayton for the remainder of the order.

3. Post artworks, class lists and order forms in an Express Post envelope to

Christina Frost Clayton

PO Box 30

Woodford NSW 2778

## FROSTCLAYTON:

Student's details and a mini picture of their artwork are printed on the back of each card.

## COST:

Parents pay \$24 per pack of 10 colourful ArtCards honouring their child's artwork.

School receives \$6 per pack to cover postage and admin fees, with balance kept to assist fundraising efforts.

An optional A3 laminated calendar of the student's artwork is available for \$12 when the original order is placed - an additional \$3 to go to school fundraising.

Alternatively, buy the laminated calendar in A4 for \$10 - \$2.50 goes to the school.

EXAMPLE: 100 basic students packs cost \$2400= \$600 for your school and many happy little faces!

25% of total sales order is kept by the school!
